### NOVEMBER WORD OF THE MONTH: CITIZENSHIP

Accepting the rights, privileges and responsibilities of your communities and country

“Like the body that is made up of different limbs and organs, all moral creatures must depend on each other to exist.” – Hindu proverb

**ROBOTICS – CONGRATULATIONS** to both of the Wilson Teams that competed at Magic Mountain on Sunday. The Wilson G-bots made up of 6th and 7th graders won third place out of 36 teams for Robot Design, and both the G-Bots and the Eighth Grade Team IR Nerdy qualified to go to the championship tournament at LEGOLAND this year. **CONGRATULATIONS TO ALL STUDENTS INVOLVED!** (Mr. Lucas)

**ASB** – Many students outside of ASB wonder what takes place within the walls of Mr. Kohlmeier's room. The truth is, it's mostly the affirmation of requested checks and activity/fundraising requests. Every week, we discuss matters that need to be taken care of around school. Cafeteria and Dance issues seem to top the list. There are a few perks such as being able to take part in the Montrose Parade, and getting our very own ASB sweatshirts. You elected us to represent our school, and that is what we are doing! Be listening to the Daily Bulletin as a couple of times a month, we will give you an update of what we are discussing in our ASB meetings.  
(Mr. Kohlmeier)
