NOVEMBER WORD OF THE MONTH: CITIZENSHIP

Accepting the rights, privileges and responsibilities of your communities and country

“Life is not so short but that there is always
time enough for courtesy.” – Ralph Waldo Emerson,
19th-century American essayist, public philosopher and poet

NOVEMBER WORD FOCUS: SYNONYMS

Synonyms are words that have similar meanings. Dictionaries often use synonyms in their definitions. There are whole books of synonyms and special reference works, such as the thesaurus, that have clusters of words or phrases, all with similar meanings. These are particularly useful in finding just the right word when writing.

enough – adequate – sufficient

food – nourishment – sustenance

fragile – delicate – breakable

Take a moment to remember them and their families and all those who have served our country as part of the military. (National Celebrations Committee)
