## STUDENTS

**STUDENTS:** Please remind your parents about the COLLEGE NIGHT PARENT MEETING tonight at 6-7 pm in the auditorium. Cool info and guest speaker as well as prizes. Bring a friend and learn about what college has for you! In addition, bring a couple bucks tomorrow! AVID is having a SUPER BAKE SALE AFTER SCHOOL tomorrow under the tripodome from 3-4 pm. YUMMY!  
(Mrs. Augustine)

**FINE ARTS MONTH: Paint:** The earliest artists made simple paints from natural substances found in the rocks and earth. They ground up small pieces of rocks or earth to make a fine, colored powder. This powder is called pigment. Then they mixed the pigment with animal fat or egg white or plant juices or sometimes even with blood. Different kinds of rock produced different colors. Black pigment came from soot or charcoal. (Mrs. Sutphin)

**BUY SOME LUCK!** Shamrock necklaces for sale today to celebrate St. Patrick's Day. \$1.00 each. Buy them under the clock at snack or lunch or in Rm. 1125. (Mrs. Sutphin)
