That is why most men dread it.” – George Bernard Shaw

STUDENTS: Thanks for a great first couple of days this year. Our school is off to a smooth start. We do want to remind you again of a few things necessary to make it smoother.

- 1.) Be on time to school. Period 1 starts promptly at 8:00 am.
- 2.) Remind parents that they may not park or drop you off in either of the parking lots in front. Drop off and pick up is in front of the east parking lot between the curb and the orange cones.
- 3.) The hallways before school are closed to students until 7:50 am. A bell will ring 10 minutes before school starts to let you know you can come into the halls.
- 4.) The hallways are also closed during snack and lunch. You must exit the halls quickly after leaving your 2nd period or 4th period classes.

Thanks again for your cooperation. We wish you all a very successful school year.
